dedication

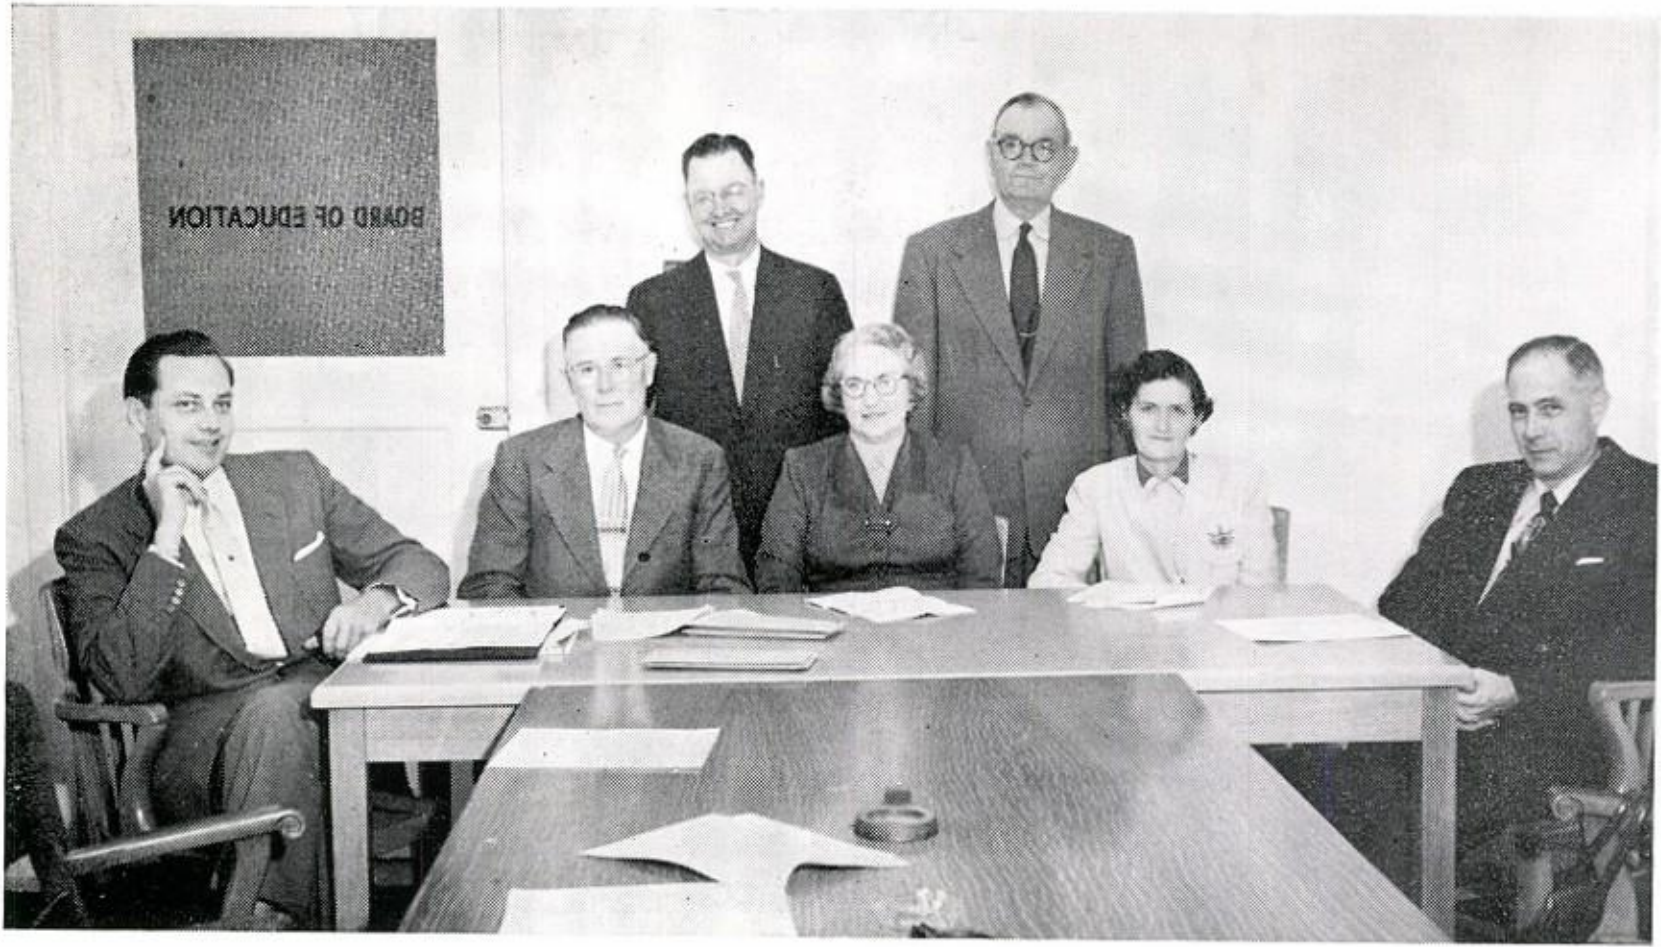

Moberly Homeroom representatives, Bill Cook, Genell Crawford, Joe Harrell, and Martha Sue Black, look over the foundation for the new senior high school.

administration

BOARD OF EDUCATION

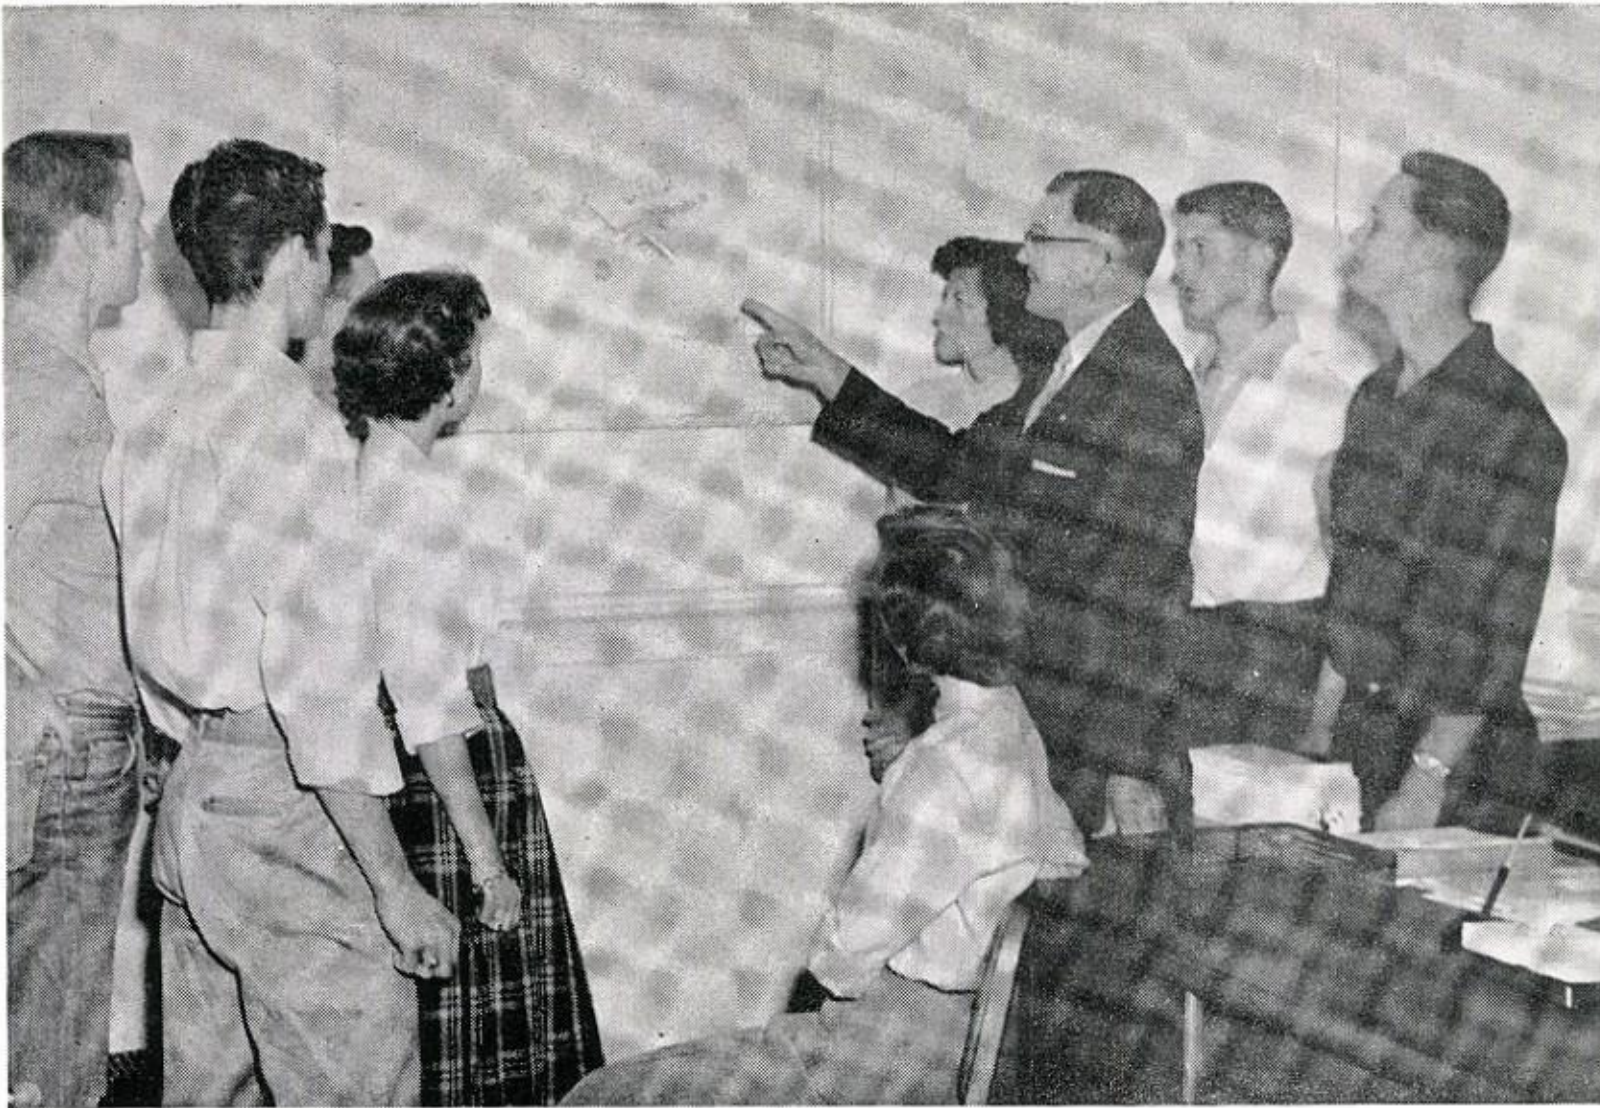

In the Board room at the Lee Building, are the members of the Board for a regular meeting:

Seated: Mr. Levis Hall; Mr. Harold Skaggs, president; Mrs. E. M. Deck, vice-president; Mrs. Wray Wible; Mr. Stanly Roberts, Jr.

Standing: Mr. Frank Chase and Mr. Luther Ladd

In the April election, Dr. W. B. Mize was elected to Mr. Hall's place, for which he was not a candidate. When the Board was re-organized following the election, Mr. Skaggs was re-elected president and Mr. Chase was elected vice-president.

SUPERINTENDENT

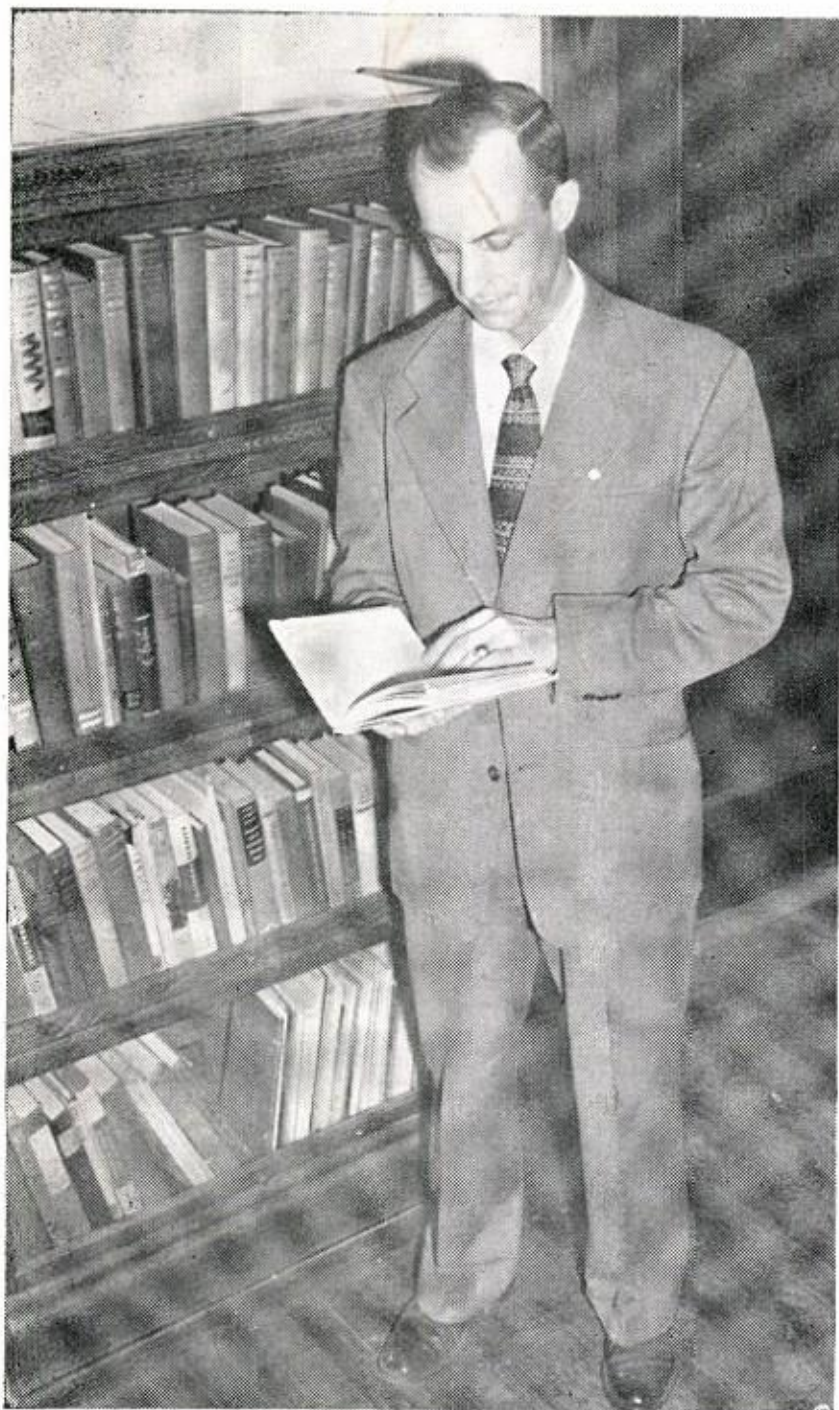

Mr. Byron Davis, superintendent, explains the architect's drawing of the new senior high school to Sim Homeroom representatives: Jack Henderson, Jimmy Higgins, Ardell Ingram, Susanne Sewell, Rita Stewart, Clara Brueggemeyer, Jimmy Robinson, and Fred Kurrus.

After having served Sherman High School as principal for fifteen years, Mr. Davis was elected superintendent of the Sherman Schools in 1953. SHS students have appreciated Mr. Davis' frequent visits to assemblies during 1954 as evidence of his real interest in the school of which he was a part.

PRINCIPAL

"Coach" Sory became assistant principal of Sherman High School in 1952 and principal in 1953. Mr. Sory had previously been physical education and general business teacher in the High School before he became one of the administrative staff. "Coach" will forever be part of his name in remembrance of the high caliber basketball teams which he produced.

Donna Roman, Jerry Paul Higgins, and Elaine Russell take time out from Athenian duties to listen to Mr. Sory's explanation of where the Publications Office will be in the new senior high school building.

SPIRIT OF SHERMAN HIGH SCHOOL

The old stone steps, with the lion's head,
 The trees and the old stone walls,
 The love, and the laughter, and the life,
 That we knew in those rugged halls,
 Through all of your life in the after years,
 Through tears and through laughter, too,
 Your heart will expand with pride and pray -
 "Sherman High - may God bless you."

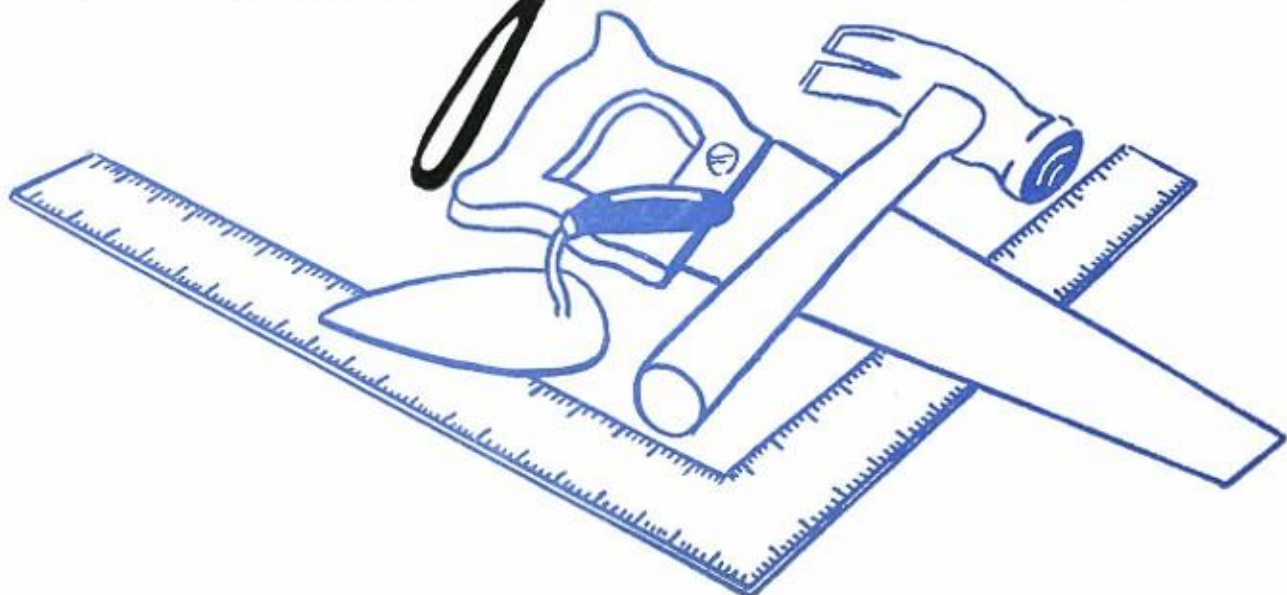

The old stone steps may crumble down,
 And the lion's head may rust,
 And all the walls will tumble down,
 The cornerstone may turn to dust,
 Still wrinkled by Time, and Ages grey,
 The thought will thrill, through and through,
 You will lift your head and proudly say -
 "Sherman High - may God bless you."

— Bruce Hanna, Class of '26

Evans Homeroom representatives, Ralph Thornton, Johnny Sloan, Barbara Ballou, and Pat Hannah, pose at the Lincoln Street entrance to the new building.

This year, Miss Alma Littrell introduced a Ceramics Club into the club series. The members made everything from rose-petal jars to figurines. This club has become so popular that in a recent survey one hundred and fifteen students have expressed the desire to become members.

MODEL AIRPLANE CLUB

Completion of a model airplane was the objective of each club member, with some members working on model boats in addition. Miss Mary Ann Smith was club sponsor.

CAMERA CLUB

During the second period, members photographed other clubs, eighth grade class meetings, and the custodians. Technical aspects of photography were studied.

How to value a hand by the Goren point count system of bidding has been the club objective. Five tables of bridge engaged in many arguments as to whether a slam could have been made.

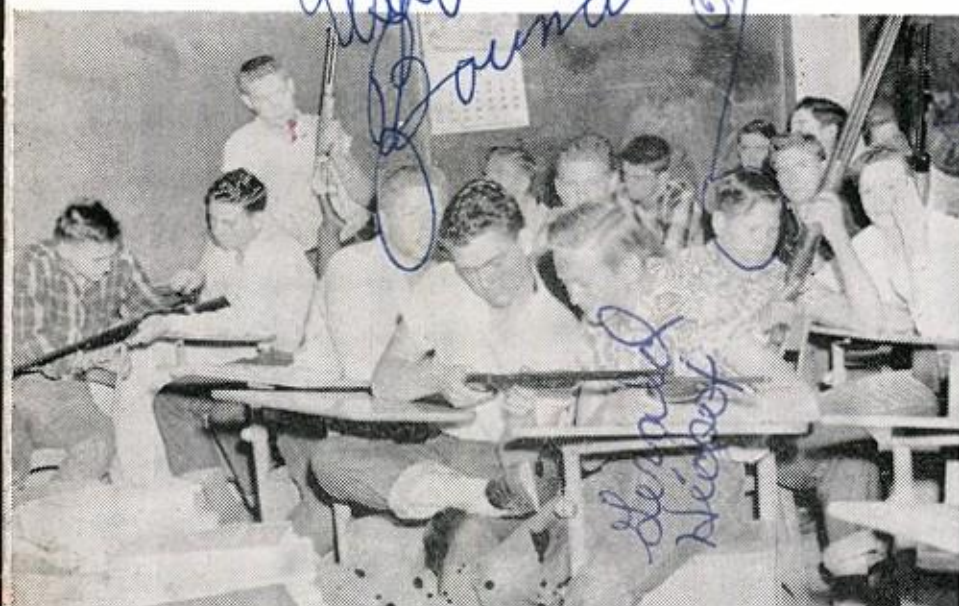

DANCE CLUB

Ballroom and folk dancing have received attention from the club members, with the Student Council juke box adding much to ballroom dancing. Beginners constituted club membership.

Korean war films and films on how to use rifles have interested club members in addition to personal accounts of experiences with rifles. Mr. Bill Evans is sponsor.

Popular and classical records are listed on the Record Club agenda from week to week. Records are brought from home as well as obtained from the library. The club's objective is to improve listening habits.

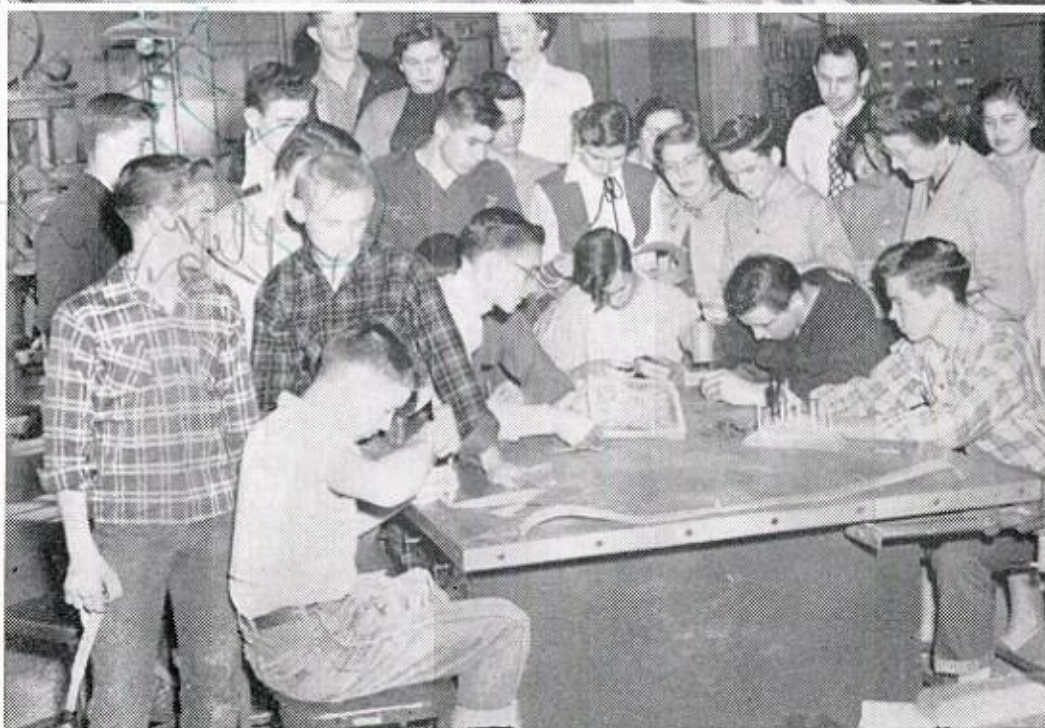

WEAVING ON HUCK CLUB

Fancy huck towels for hope chests are not altogether the club objective because the membership roll lists one young man. Many beautiful designs have been developed by club members in addition to those selected from direction books.

CHESS CLUB

Although an experienced chess player would laugh at the idea of half an hour for a game of chess, members of the club have become acquainted with the game sufficiently well to know whether they would like to go further in developing skill as players.

LEATHER TOOLING CLUB

Belts and billfolds are not the only things made by club members. Some very fancy leatherwork has been the goal of a few members and all have learned something about a hobby worthy of cultivation.

BASKETBALL SNAPSHOTS

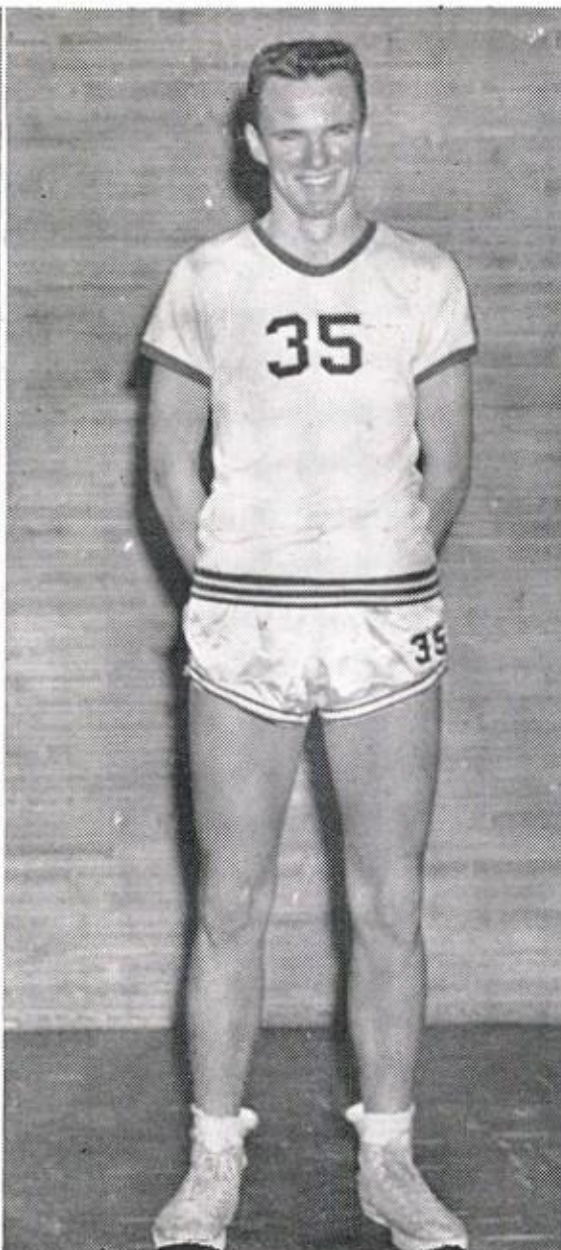

In the third bi-district game with Kilgore at Commerce, Bill Moseley adds two "precious" points for the Bearcats, with Jimmy Sexton and Gerald Blankenship to help. After winning the bi-district game with Kilgore and also winning the honor of going to state play-offs, the Bearcats are swamped by enthusiastic fans. In a "sudden death" play-off with Paris on the neutral court at Greenville, Joe Wood adds two points for the Bearcat winning team. Jack Pierce shoots a deadly ball which paves the way to his selection as all-state. All-district guard, Gerald Blankenship, shows that he has the right spirit for all sports as he takes the megaphone to support the football team. Guard Robert Landolt, in the McKinney game, demonstrates that he has an eye for the basket by making a "crip" shot, while all-district Jack Pierce looks on.

FRIENDLIEST BOY AND GIRL

Jane Spindle and Frank McGraw are presented as the Friendliest GIRL and BOY by Lee Jennings, Senior Class President, at the Christmas Dance given by the Student Council. Frank and Jane, as Sherman High students see them every day.

In 1950, the Student Council sponsored Friendly Week, which was climaxed by the election of the Most Friendly Girl and Boy, who were presented to the student body at an all-school dance. Since that time, Friendly Week, the election, and the dance have become annual events; thus, the Student Council has helped to make Sherman High School a more friendly and happy school and one with outstanding spirit.

GIRLS' AND BOYS' STATE

MARY WHITTEN

JERRY KYLE

Mary Whitten and Jerry Kyle were selected during their junior year to represent Sherman High School at Girls' and Boys' State, a school of government in Austin each year. Participants are nominated on the basis of their leadership, character, scholarship, honesty, co-operation, and courage by the faculty, and final selection is made by the American Legion Auxiliary, which sponsors the school.

MR. and MISS SCHOOL SPIRIT

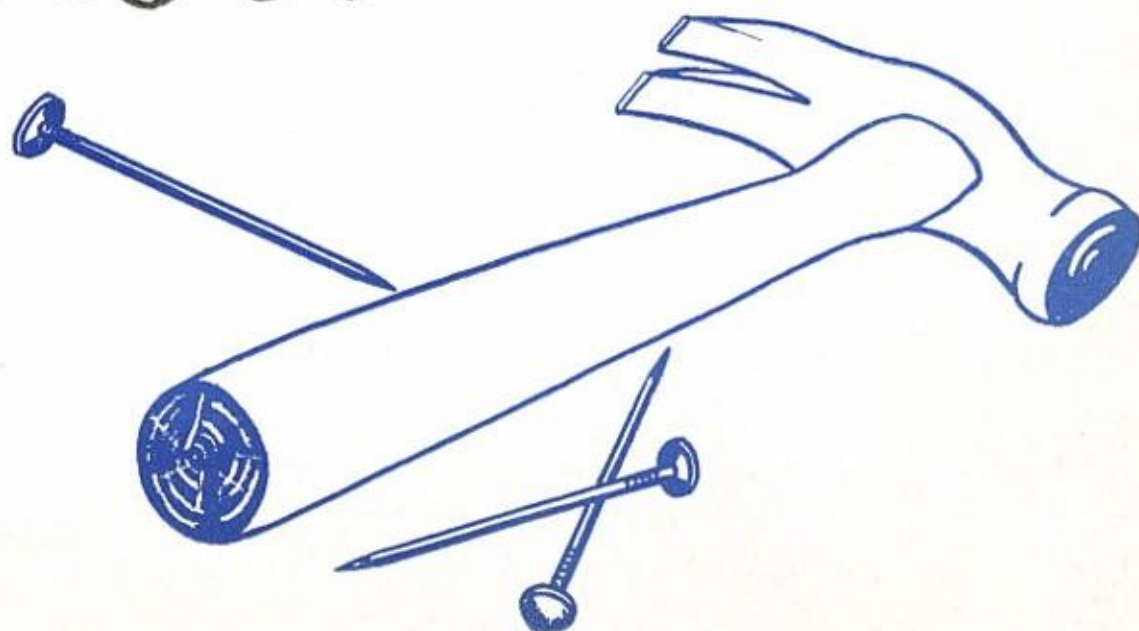

At the Senior Pep Rally before the Thanksgiving football game, Jerry Wayne McDonald and Leonite Selzer were crowned Mr. and Miss School Spirit. They were selected by the cheer leaders.

Hart Homeroom representatives, Gail Peavy, Carolyn Sanders, and Don McDonald, obviously approve of Cecil Ramsey's suggestion that they explore the new building construction.

New students are introduced to the hospitality of Sherman High School at the tea sponsored by the Student Council.

During the parade before the Denison football game, Mrs. Reeves helps Terry Smith and John Thomas give attention to a "battered Yellowjacket", Don Sutherland.
